12. Bromodiphenhydramine Hcl Acetylalicylic Acid Phenylepherine Hcl Caffeine Aluminium Hydroxide Gel Dried.;

Prevention of Drug Addiction

1901. SHRI K. VASUDEVA PANICKER: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware that the programme of cure of drug addicts has not achieved much success especially in Delhi due to lack of coordination between numerous agencies involved therein; and

(b) if so, the steps Government are taking in this regard?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT AND THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI P. V. NARASIMHA RAO): (a) and (b) The programme has been partially successful for a variety of reasons. Efforts are put-forth to establish better coordination among the various agencies involved.

Ad-Hoc Doctors in CGHS

1902. SHRI J. P. GOYAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what is the number of doctors appointed in the Central Government Health Scheme on ad hoc basis i.e. for a period of 90 days and they are again appointed for a period of 90 days after one day's break as on 31st March, 1987;

(b) the time since when these doctors have been working with the C.G.H.S in this way;

(c) what benefits they are denied which are enjoyed by the regular appointees;

(d) whether it is also a fact that they are not given any annual increment and if so, what are the reasons therefor;

(e) whether there is any proposal under Government's consideration to make these doctors regular after they
